MEGA OIL RESISTANCE SUN BRAID HOSE

New Designed and Resized

Pressure Resistance of 6-25mm exceeds 1.0MPa.

MEGA Touch is highly recommended as joints with the hose.

Features

- Original structure to fasten hoses tightly and strongly.
- High adhesion without damage your hoses.
- No breaks due to excessive fastening.
- Easy attach and remove, improve maintenance workability.
- Variety of materials: SUS and BsBM also available with RoHS enabled Cd-less BsBM.

*Always use within the hose's recommended working pressure and MEGA Touch's. It is 1.0MPa of maximum working pressure that MEGA Touch has.
